GENERAL INFORMATION

BE SURE OF THE NUMBER. If you do not find it in this directory, dial "O" for the PBX operator and ask the attendant to find it.

LISTEN FOR DIAL TONE. Do not start to dial until you hear this tone.

TO CALL A LOCAL EXTENSION. Dial the three digit extension number.

TO CALL A CENTRAL OFFICE NUMBER. Dial "9", listen for dial tone, then dial the number.

TO REACH INFORMATION. Official State Capitol PBX—dial "0" for the attendant. **Local Helena Number**—dial "9" then 113.

TO TRANSFER INCOMING CALLS. Operate the receiver hook slowly and request the operator to re-establish connection with the desired extension.

TO CALL LONG DISTANCE OUT OF MONTANA. Dial "O" for the Capitol PBX. The operator will complete the call for you. In order to expedite your call, it is suggested that you place your call in the following manner, saying, "This is extension 203, QZ Billing Number 7Q3-0756 Mr. Jones calling Denver, Area Code 303-558-3255, Mr. Smith." If station to station service is desired, give only the called number.

TO CALL LONG DISTANCE WITHIN MONTANA.

GENERAL INFORMATION

The State Telecommunications System consists of a Government network of leased long distance circuits interconnecting the cities listed on the inside of this directory. Official calls may be made through this network to any telephone subscriber in the State as well as to State Government Agencies covered in this directory. Direct distance dialing as provided by this system permits station-to-station long distance calls assuring Agencies prompt and economical intercity telephone services.

THE STATE NETWORK SHALL BE USED FOR OFFICIAL GOVERNMENT BUSINESS ONLY . . . .

May 1, 1963 8 A.M.

In order for each agency and user to receive full benefit of the state network, it is essential that the folowing instructions be used in making calls. To avoid unnecessary calls to the information operator, each user should maintain a comprehensive list of frequently called numbers.

85-9

USER INSTRUCTIONS

To call station to station from a Capitol PBX extension to a State Agency in:

Billings	Dial "88" and extension number	*	For PBX Operator at each location Dial "O" instead of Extension No.
Bozeman	Dial "85" and extension number	*	
Great Falls	Dial "87" and extension number	*	
Missoula	Dial "86" and extension number	*	

* State Agency extension numbers located out of town as shown above can be found in the back of this directory. If the Agency is not listed, use the dialing arrangements outlined below.

To call station to station from a Capitol PBX extension to a central office number in:

Billings.....Dial "88" and "9" and seven digit central office number. *

Bozeman.....Dial "85" and "9" and seven digit central office number. *

Great Falls.....Dial "87" and "9" and seven digit central office number. *

Missoula.....Dial "86" and "9" and seven digit central office number. *

Butte 82 + 7 digits

* A second dial tone will be heard on all central office calls immediately after the digit "9" has been dialed.

To call station to station from a Capitol PBX extension to all other **dialable** cities in Montana, dial "1" and "1" and the seven digit central office number. *

* After dialing the first "1", a second dial tone will be heard.

To call station to station from a Capitol PBX extension to a **non-dialable** city in Montana, dial "1" and "0". A Telephone Company operator will place the call for you. when she asks, "What number are you calling from?" give her "443-5490." This is a special number to be used only in calling non-dialable cities in Montana.

important

To reach out of town telephone information operator from a Capitol PBX extension, dial "9" then "1" followed by "555-1212" and ask operator for distant city information. Before the information operator answers, an attendant will ask for your telephone number. Give her your assigned QZ number.

To call station to station from a Capitol PBX extension to a central office number in:

Butte.....Dial 82 and seven digit central office number *

* Butte central office dial tone will be heard after the digits 82 have been dialed.

BILLINGS GENERAL INFORMATION

The State Telecommunications System consists of a Government network of leased long distance circuits interconnecting the cities listed on the inside of this directory. Official calls may be made through this network to any telephone subscriber in the State as well as to State Government Agencies covered in this directory. Direct distance dialing as provided by this system permits station-to-station long distance calls assuring Agencies prompt and economical intercity telephone services.

THE STATE NETWORK SHALL BE USED FOR OFFICIAL GOVERNMENT BUSINESS ONLY . . . .

In order for each agency and user to receive full benefit of the state network, it is essential that the following instructions be used in making calls.

To call station-to-station from a PBX extension to a State Agency in:

Bozeman .....Dial "885" and extension number. *
Great Falls ..Dial "887" and extension number. *
Helena .....Dial "8" and extension number. *
Missoula .....Dial "886" and extension number. *

For PBX Operator at each location Dial "O" instead of Extension No.

* State Agency extension numbers in out of town locations shown above can be found in this directory. If the agency is not listed, use the dialing arrangement outlined below.

To call station-to-station from a PBX extension to a central office number in:

Bozeman .....Dial "885" and "9" and seven digit central office number. *
Great Falls ..Dial "887" and "9" and seven digit central office number. *
